A big thank you from Wild in Art...

...to all participating artists, sponsors, musicians, display venues and of course all those who have donated guitars to be part of this amazing event.

We are particularly grateful for the support we have received from Manchester City Council and it's been a privilege to be part of the summer's MCR Live '25 campaign.

And now to the Grand Auction – this is a fantastic opportunity to become the proud owner of one (or more) of these stunning guitars. Your generosity will help us to leave a lasting legacy for the city through the Greater Manchester Grassroots Music Fund, managed by Forever Manchester.

Please bid generously!

Charlie Langhorne

Managing Director and Co-founder,
Wild in Art

Help us to support Greater Manchester's emerging bands and musicians...

Forever Manchester is Greater Manchester's Community Foundation, the only charity that raises money to fund and support community activity across Greater Manchester.

As the Music for the Senses charity partner, we're delighted that the proceeds from the auction will go to the Greater Manchester Grassroots Music Fund.

Whilst demand for live music events remains high, many grassroots artists simply cannot afford to tour. It's a global, industry wide problem. The Greater Manchester Grassroots Music Fund will give grassroots artists from the region the opportunity to apply for much-needed financial support with ever rising touring costs from transport, to promotion, and paying their fellow musicians.

Please bid generously and help us to build a stronger future for Manchester's music scene.
